## NRFC Transcript: #Dadication (Harold)

**HAROLD:**

You're not too cool for me,  
and in return,  
I reciprocate that sentiment.  
I will NEVER be too cool for you.  
I was a man with a plan  
but now I'm a dad with a decree  
and you can't take that from me  
Please let it be noted that  
I told my job they could dock my pay,  
Right now it's just too important  
to take you to school everyday.  
I wanna be legendary for you,  
i want you to puff out your chest  
when you go to school.  
The same way I do.  
I walk taller because of you.  
Because I've found everything to live for.
