

[ VIDEO MONTAGE OF QUINTAVIOUS AND HIS DAUGHTER ]

[ QUINTAVIOUS: ] When I got the opportunity to get her, it wasn't no choice. I told myself, I'm going to take custody of my daughter. It's my baby. That's what we're supposed to do as men. Take care of our own, build a foundation. You know what I'm saying? Love. Armani, she is my purpose. I'm here to walk with her, hold her hand until she can walk on her own. Ain't nothing like being a father in this world.
